Why is it pink?

The month of October (aka Pinktober) is Breast Cancer Awareness Month. In support, EBAA Iron has coated our typically blue restraint “Twist-Off Nuts” pink. A portion of October’s proceeds will be donated to “Gift of Life” fund at Baylor Scott & White. EBAA Iron stands with those who are fighting or have fought Cancer. We encourage you to do the same.

The Pink Coating is equivalent to that of our Blue Coating.

Made in USA
