To our Customers:

Due to worldwide steel supply disruptions and shortages along with increased costs from our fastener supplier, EBAA Iron Sales will be increasing prices on the following: packaged accessory, harnesses, MEGAFLANGE® Restrained Flange Adapters and the FLEX-TEND® Family Products. The increase will be on average 5% and will become effective as of March 8<sup>th</sup>, 2021. The updated price list will be available at [ebaa.com](http://ebaa.com) in both PDF and EXCEL® spreadsheet as of 8:00 AM CST on the before mentioned 3/8<sup>th</sup>.

As of today, February 8<sup>th</sup>, 2021 all quotes are only valid till March 7<sup>th</sup>, 2021. After this deadline, all quotes will need to be revised based off the new list price available on 3/8<sup>th</sup>.

As always, EBAA Iron will strive to provide competitive and quality products for our industry. If you have additional questions, please contact your local EBAA Iron representative.

God Bless the U.S.A.,
