11/25/2024

To Our Valued EBA A Partners:

Effective 1/2/2025, EBA A will implement a price increase on our various types of joint restraint products.

The percent of increase will be 5% on set-screw and Megalug® wedge-action type restraint products and 7% on all split-serrated type restraint products.

Prior to the effective date, updated list price sheets for the above stated products will be available via the EBA A website (www.ebaa.com).

Orders placed on or after 1/2/2025 will be subject to this price adjustment.

All orders received prior to the date of this price increase that do not carry shipping restrictions will be price protected, and all formal quotes will be honored up to the stated expiration date on the quote.

Thank you for your continued support of Domestic Manufacturing.

We will continue to earn your trust and business.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jim Keffer", with a long horizontal flourish extending to the right.

Jim Keffer
President
